**ĐẠI HỘI NGUỒN SỐNG 2024 - RULES AND REGULATIONS**

In Liên Đoàn Nguồn Sống, we strive for a safe environment for all our members at every event we host, whether it be within our local chapter or at the league level. All participants must sign the **Code of Conduct (CoC)** set forth by the Vietnamese Eucharistic Youth Movement in order to attend this event. Along with the CoC, here are some things to keep in mind so we can have a fruitful event:

**DO's:**

- **HAVE FUN.** We encourage all members to attend as many activities as possible.
- Supervise your members and be attentive for their needs and safety.
- Be flexible with changes as they may arise.
- Resolve all disputes peacefully or bring them to the organizing committee's attention if needed.
- Respect the youth leader in charge of the activities, we are all volunteers.

**DO NOT's:**

- **NO ALCOHOL** – This is a youth event. This will warrant an immediate dismissal from the event and forfeiture of your chapter's security deposit.
- Engage in any inappropriate or unwanted physical contact towards minors or any members.
- Have co-ed tents - Immediate dismissal from camp.
- Promote violence or poor sportsmanship. Fighting will result in immediate dismissal.
- Use of profanity towards any members especially at youth members.
- Enter in another chapter's designated campground without permission. Please be respectful to each other.
- Sleep in your car at any time during camp. This is a big insurance liability.

Our youth ministry program relies heavily on volunteers for all events and gathering. Our youth members are our greatest asset. Not only is this an excellent opportunity for us to connect our youth and adult members, it is a fantastic opportunity for our community to build for the Greater Kingdom of God.

By signing below, you acknowledge that you will be responsible for your chapter and your chapter's member actions. Any questionable activities will be reviewed by the League of Chapter event organizing committee. If you have any concerns, please reach out to the League of Chapter's executive committee.
